“A stylish and elegant design, providing contemporary, practical accommodation”

This 2023 Bordeaux Escape is well appointed and stylish, its practical accommodation providing an exceptional family space. The living area has been designed with style and comfort in mind and is a real haven with the 'Maldives' soft furnishings scheme that gives an uplifting feel. The u-shaped kitchen offers plenty of worktop space and soft close on all of the modern kitchen units. You'll have everything you could need appliance wise too with a glass fronted oven, grill, 4 burner gas hob and overhead hood. There is also an integrated fridge freezer and microwave oven. There is a large family shower room, the cubicle having a sliding glass door plus a sink and toilet all in white. The sophistication of the Swift Bordeaux needs to be seen to be appreciated.
