## “A brand new, stylish holiday home”

This 2019 ABI Summerbreeze Deluxe is a new and updated, two bedroom caravan that is built to offer first class comfort with all the quality, modern furnishings you would expect. This latest model features stylish bright colour schemes throughout and flush-fit lightning. With its bright, open plan layout and plenty of storage, it is ideal for family use. The comfortable lounge has L shaped sofas and a feature wall mounted fireplace. There are large windows to allow extra light and natural light wood effect units and furnishings throughout. The dining area comes with a freestanding dining table and fixed dinette seating with two drum stools. The well designed kitchen and hallway leads through to the master bedroom with a large wardrobe and dressing area, plus an en-suite. There is a further twin bedroom and a family bathroom.
