“An ideal holiday home for all the family”

An open plan lounge and dining area make this ideal for all the family. Bright and airy with light oak effect flooring making this a great place to spend your time. With upholstered wrap-around seating overlooking the roomy open-plan living area, and a feature electric fireplace to add some cosiness to those colder autumn nights, the Willerby Mistral truly is one to be enjoyed all year round. The kitchen is a lovely size with a large gas oven, under worktop fridge and plenty of storage space and worktop. Two bedrooms; one master, one twin, means this holiday home is perfect for family getaways, for hosting friends during the summer, or for relaxing comfortably whenever you like. It offers 2 nicely sized bedrooms with a pull out bed in the living room meaning it can sleep up to 6 people at a time. Elegant, simple, and spacious – what more could you want from a holiday home at the edge of the Lakes. This superb and affordable holiday home is perfect for families seeking adventure, or for couples (and pets) looking for a base where they can explore our stunning coastline at their own leisure.
